		SPONSOR:
		Department of Engineering and Environmental Services

PURPOSE

To receive authorization from the Shreveport City Council to allow a connection to the City's water & sewer system.

BACKGROUND INFORMATION

Esther Ann Mayfield Holloway has made a formal request to connect to the City's water & sewer system. She has agreed to comply with all regulations required by the City of Shreveport with regard to the property, as set forth in Section 94.1, et. Seq., of the Shreveport City Code. The property is located near Council District **D**, and is not contiguous to the City limits. The property will be served by a new **main installation(provided by the property owners and Caddo Parish)** from near the intersection of Maggie Lane and Overton Brooks Road. The property description is as follows:

Lot 18, Woodstock Estates, a subdivision of Caddo Parish, Louisiana, as per plat filed and recorded in Book 1400, Page 209, of the Conveyance Records of Caddo Parish, Louisiana, and further identified by Caddo Parish Tax Assessor's Geographic Number 161316004001800 and having a municipal address of 319 Maggie Lane.

MASTER PLAN CONSIDERATION

The proposed resolution is consistent with the recommendations of the Master Plan by permitting the connection of existing properties located outside of the city limits to the City's water and sewer systems, which will result in a reduction in the reliance of existing development on ground water sources and work toward resolving the planning area infrastructure crisis identified in the Master Plan (Chapter 9, Public Systems: Infrastructure, Facilities, and Services).
