PURPOSE

To authorize the modification of the terms of the loan to Southwood Gardens Adult Community Limited Partnership in regard to Southwood Gardens Apartments, 3550 Cedar Creek Road, Shreveport, Caddo Parish, Louisiana.

BACKGROUND INFORMATION

In 1997, the City of Shreveport awarded a \$480,000 non-recourse development loan to Southwood Gardens Adult Community Limited Partnership (“SGACLP”), for construction and development of Southwood Gardens Apartments (the “Project”) subject to terms and conditions contained in the loan documents. Under the terms of the Loan Agreement, the loan funds were then to be re-loaned to Cornerstone Assistance Foundation (“CAF”) for purposes of the Project. The loan was funded with HOME funds provided to the City of Shreveport by the U. S. Department of Housing and Urban Development (“HUD”). The interest rate on the loan is four (4%) percent for a term of twenty (20) years. The City has received a request from SFACLP to forgive the accrued interest on the loan (\$90,985.99) in order to facilitate early repayment of the remaining principal balance on the loan. The Borrower has paid over \$225,000 in interest payments since the inception of the loan in 1997. As an alternative to the request to forgive the entire amount of the accrued interest on the loan, the City, through its Department of Community Development, proposes and desires to forgive a portion of the accrued interest on the loan subject to the condition that the City shall receive an amount no less than the \$480,000 principal amount of the loan, excluding interest, as repayment for the loan. Approval of this resolution would permit the Department of Community Development to utilize the fund received from the early pay-off to complete other projects as well as relieve the department of the responsibility for oversight and administration of the loan and the Project.
