Subject: Monthly Financial Reports for the months ended November 30, 2018 and November 30, 2019

Attached are the summary financial reports provided by the Finance Department for the eleven months ended November 30, 2018 and November 30, 2019. The first report provides a year-to-date comparison of sales tax collections. The second report provides a year to date comparison of selected General Fund revenues. The third report provides a year-to-date comparison of selected revenues in the enterprise funds. The fourth and fifth reports provide a year to date comparison of General Fund departmental expenditures and expenditures of other selected funds. The fifth report is a more detailed version of the fourth.

In addition to these summary reports, I have included the Calculation of Sales Taxes – 2019 and Logos “Budget Performance Reports” for the General Fund, Enterprise Funds, and Other Selected Funds for the two periods presented. The report is produced by the Accounting Division. The other four reports are produced directly from the Logos accounting system, and all reports are included to provide you with more detailed information.
