UPDATE: Police ask public's help to identify scammers

The individuals in the photos have been identified. The investigation continues.

Investigators with the Caddo Shreveport Financial Crime Task Force are asking the public's help to identify subjects that allegedly convinced cashiers at a local business to load funds on gift cards. The individuals then left the business without paying for those cards. They fled the scene in a dark colored small SUV. The loss totaled just over \$2,000.00.

Detectives are asking anyone with identifying information to contact them at 318-673-7300. Those wishing to submit information anonymously can contact Caddo Shreveport Crime Stoppers at 318-673-7373 or via their app P3Tips.
