Mayor Arceneaux Appoints Jarvis Morgan as Director of Public Works

Mayor Tom Arceneaux is pleased to announce his appointment of Jarvis Morgan as the new Director of the Public Works Department for the City of Shreveport subject to City Council confirmation. Morgan, who has been with the city since 2019, has served as Assistant Director of Public Works since 2022 and brings extensive experience in infrastructure management, operations, and public service to his new role. “Jarvis Morgan has proven himself as a dedicated and capable leader within our Public Works Department,” said Mayor Arceneaux. “His deep understanding of city operations, commitment to efficiency, and focus on service to our residents make him the right choice to lead this vital department.”

Morgan earned his degree in Project Management from the University of Phoenix. Prior to working for the City, he worked for several years in the construction industry in Houston, Texas and in Shreveport. As Assistant Director, Morgan has played a key role in overseeing the city’s essential services, including street maintenance, solid waste collection, and drainage improvements. As Director, he will continue working to enhance operations, improve service delivery, and support initiatives that keep Shreveport clean and well-maintained. Congratulations to Jarvis Morgan.
