Multi-Family Dwelling Fire in 400 block of Jordan St.

Shreveport, LA – On Wednesday December 3, 2025 at 9:30 a.m. the Shreveport Fire Department received a report of a fire alarm in the 400 block of Jordan St. Engine 5 arrived on scene within 4 minutes and reported smoke visible in the wood-framed, multi-family dwelling. An upgraded response was dispatched to add additional resources and manpower.

Crews located the source of the fire in the rear of the structure that extended to the roof. 34 Firefighters and 13 units were able to bring the incident under control by 10:16 a.m. after ensuring that all hot spots were extinguished. A fire alarm inside alerted the occupants to exit the structure before calling 911.

There are no reported injuries to any citizens or firefighters. The origin and cause of the blaze remains under investigation at this time by Shreveport Fire Arson Investigators.
