SPD Investigates Fatal Crash

On Friday, December 26, 2025, at approximately 6:24 a.m., officers with the [Shreveport Police Department](#) responded to a major crash involving a vehicle and a pedestrian in the 1700 block of North Hearne Avenue.

Despite the swift response of the [Shreveport Fire Department](#), who rendered immediate medical aid, the pedestrian succumbed to her injuries and was pronounced deceased at the scene. The SPD Crash Investigations Unit was notified and responded to conduct the investigation.

Preliminary findings indicate a Nissan was traveling northbound in the outside lane when it struck the pedestrian, who was walking in the roadway. At the time of the crash, the area was dark and lighting was limited.

The involved vehicle was impounded and towed to Shreveport Central Storage as evidence. The driver was transported to [Ochsner LSU Medical Center](#), where a voluntary blood sample was obtained for submission to the North Louisiana Crime Lab.

The pedestrian did not have any form of identification, and next-of-kin notification has not yet been completed. The [Caddo Parish Coroner's Office](#) responded to the scene and took custody of the deceased.

The investigation into the circumstances surrounding this crash remains ongoing. No citations have been issued at this time.

Anyone with information related to this incident is encouraged to contact the Shreveport Police Department.
