FOR IMMEDIATE RELEASE

Fatality Reported Following Crash at North Market and I-220

On March 20, 2026, at approximately 6 p.m. officers with the Shreveport Police Department responded to a reported head-on collision at the intersection of North Market Street and Interstate 220.

Upon arrival, officers located two vehicles involved in the crash. One of the drivers, a 90-year-old female, was transported to Ochsner LSU Health with what were initially believed to be non-life-threatening injuries.

Sadly, the driver later passed away. At this time, investigators do not believe her death was directly related to injuries sustained in the crash. Due to her age and pre-existing health conditions, her passing appears to be related to underlying medical issues rather than the collision itself.

Crash Investigators responded to the scene and are continuing to examine the circumstances surrounding the incident.

This remains an active investigation.
