3.2 Prompt Payment Clause

- 3.2.1 The City of Shreveport will, after acceptance of goods or services and the receipt of a proper invoice from the contractor, process request for payment, said payment to be paid within thirty (30) days.
- 3.2.2 Prime contractors shall then be required to ensure payment is made to any designated small or disadvantaged business (subcontractors), within fifteen (15) business days of receipt of payment to the prime contractor from the City.
- 3.2.3 Upon satisfactory completion of a contract, the City and/or prime contractor will ensure that any retainage payments are returned within thirty (30) business days.
- 3.2.4 Failure to comply with the terms of this requirement may be grounds for termination of the contract by the City.
- 3.3 **Affirmative Action Clause**
- 3.3.1 The contractor, sub recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract.
- 3.3.2 The contractor shall carry out applicable requirements of the appropriate funding guidelines for each contract. Failure by the contractor to carry out these requirements is a material breach of the contract which may result in the termination of this contract or such other remedy as the City deems appropriate.
- 3.4 **Participation of Small Disadvantaged Business Concerns**
- 3.4.1 It is the policy of the City of Shreveport that all prime contractors and service providers utilize qualifying small disadvantaged business concerns.
- 3.4.2 The City has set a goal of 25% for participation of these said business concerns in all City-let contracts and/or purchases.
- 3.4.3 Specific goals are set on federally funded contracts as determined by the regulating federal agency and language to that effect shall be included in those contracts.

- 3.5 **Subcontractor Payment Certification**
- 3.5.1 Every contract by the City for the performance of work will contain a provision requiring the prime contractor to certify in writing that all subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) by the prime contractor prior to receipt of any further progress payments.
- 3.5.2 In the event a contractor is unable to pay subcontractors or suppliers until it has received a progress payment from the City, the prime contractor shall pay all subcontractors or suppliers funds due, from said progress payments within forty-eight hours of receipt of payment from the City.
- 3.5.3 During the contract and upon completion of the contract, the City of Shreveport may request documentation to certify payments to subcontractors or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the City of Shreveport or any liability on the City of Shreveport for the contractor's failure to make timely payment to the subcontractor.
- 3.6 **Fair Share Certified (FSC), S/DBE or DBE PARTICIPATION-GOOD FAITH EFFORT REQUIREMENTS**
- 3.7 **PRE-BID EFFORTS REQUIRED REGARDING FAIR SHARE, S/DBEs or DBEs**
