## **Third and fourth suspects jailed in murder of local man**

Suspect: Earl Vinson

Shreveport Police detectives have arrested two additional suspects in the murder investigation of a Shreveport man on last month.

Back on July 20, 2016, Shreveport Police patrol officers were called to the 2900 block of Curtis Lane regarding a male victim who was discovered deceased along the roadway. Upon officer's arrival, it was learned the victim, 23 year old Ricardo Anderson had been shot multiple times. It is believed the suspects involved in the shooting fled the scene immediately afterwards, driving off a dark colored sedan.

Since the launch of the investigation, detectives have worked tirelessly in efforts to identify those persons believed responsible for the murder. In addition to the initial arrests of 23 year Jakarris Harper and 18 year old Donterious Davenport last month, Shreveport Police Violent Crimes investigators have also gathered information linking 18 year old Earl Vinson to the crime, along with a 16 year old juvenile. For their alleged roles in the murder, Vinson and the juvenile were each charged with a single count of Principal to Second Degree Murder. Vinson is jailed in the Caddo Correctional Center while the juvenile is being house at the Caddo Juvenile Detention Center.
