## **Suspect sought in November shooting**

Suspect Addarous Lewis

Shreveport Police investigators are seeking the whereabouts of a man suspected in a shooting which sent another man to the hospital in late November.

Back on November 27, 2016, Shreveport Police patrol officers were called to University Health hospital relative to a shooting victim who arrived at the hospital suffering multiple gunshot wounds. The victim, identified as 24 year old Martel McMullen, was shot while riding inside a vehicle that came under fire while traveling along the roadway.

Since the launch of the investigation into the shooting, authorities have obtained information and evidence leading them to name 19 year old Addarous Lewis as a suspect in the shooting. Police investigators have since procured a warrant for the arrest of Lewis, who now faces a single count of Attempted Second Degree Murder. Persons with any information on the whereabouts of Lewis are asked to contact Crimestoppers at (318) 673-7373 or visit their website at [www.lockemup.org](http://www.lockemup.org)
